COMPANION  
**GAP PLUS**  
PROTECTION AGAINST THE UNEXPECTED

## DON'T LET THE UNEXPECTED LEAVE YOU SHORT!

In today's fast-paced world, your vehicle's real value will decline faster than the balance you owe on your vehicle loan. This could leave you liable for thousands of dollars of financial liability (or negative equity) in the event that your vehicle is written off due to fire, theft or accident - that is over and above what your insurance policy will pay out. You could still be paying for a vehicle you no longer have, and that is a financial burden you don't need.

Companion GAP PLUS is "Guaranteed Asset Protection" and pays the negative equity up to **\$50,000**.

### FOR A FEW DOLLARS A MONTH COMPANION GAP PLUS PROTECTION:

- Could save you up to \$50,000 including refinanced negative equity from previous loans
- Protects your credit rating
- Locks in your rate for up to 8 years

### PREMIUMS ARE AFFORDABLE:

Your dealer can include the amount right in your vehicle's Finance or Lease Agreement. Coverage is available for vehicles worth up to \$150,000. Receive a \$500 credit applied to the purchase of a replacement vehicle purchased from your Dealer.
