EVERYBODY WANTS A NEW CAR, INCLUDING THIEVES

Auto theft is big business for organized crime. A vehicle is stolen in North America every 30 seconds. Protect your investment and personal belongings with the InvisiTrak theft deterrent and recovery products which are designed to discourage thieves from stealing your high-value assets and to get them back if stolen.

OUR UNIQUE DIGITAL TECHNOLOGY

InvisiTrak

Theft Deterrent

InvisiTrak is a visible warning decal installed on the vehicle. The window warning decal makes it less attractive for thieves as a unit is registered and traceable.

InvisiTrak Locate

Theft Recovery

Upgrade your protection package with a InvisiTrak Locate theft recovery device¹. This device is virtually undetectable by thieves and provides you with peace of mind that your vehicle is safe from theft. It is installed covertly and engineered for theft recovery. *In Ontario, eligible customers can waive their high risk insurance premium surcharges.

ADDED WARRANTY BENEFITS OF INVISITRAK AND/OR INVISITRAK LOCATE²

Protection for recovered vehicles	If your vehicle is stolen and then recovered but not a total loss, you will be reimbursed up to \$1,000.
Protection for unrecovered or total loss vehicles	If your vehicle is not recovered within 30 days or is recovered and declared a total loss by your insurance provider, you will receive actual cash value of your vehicle up to \$5,000 towards the purchase of a new vehicle.
Term	24, 36, 48 and 60 month terms InvisiTrak Locate: 5 years
Vehicle Registration	Vehicle description and owner's data is registered through the computerized database which can be accessed immediately by all law enforcement agencies in the event of theft.
Trip Interruption	Car rental allowance of up to \$600. Up to \$400 for meals and accommodation ² . Airfare reimbursement of up to \$600
Savings	Vehicle insurance discounts may apply.

¹ Hardware device is powered and supported by KYCS Global Inc.

² Please refer to the terms and conditions for complete details of coverage and exclusions. Warranty is not available in British Columbia or Quebec.

TRACK & RECOVER

INVISITRAK LOCATE

VIRTUAL FENCING

All 180 seaports in North America are equipped with virtual fencing. If a vehicle equipped with an InvisiTrak Locate device crosses a virtual fence and held at a seaport, the device will send a notification to the recovery team.

BREAKTHROUGH TECHNOLOGY

Many of today's stolen vehicles are held inside metal shipping containers. InvisiTrak Plus is the first solution of its kind to remotely receive an accurate GPS location allowing law enforcement to be deployed to the specific port / location where the vehicle is being stored. InvisiTrak Locate also provides law enforcement with the Range Finder feature allowing authorities to pinpoint the precise container with the stolen vehicle.

24/7 REAL TIME SUPPORT

With worldwide tracking capabilities and working with our partners KYCS Global Inc. and Crime Stoppers, we provide consumers with the most effective vehicle recovery solution on the market.

In the event your vehicle is stolen KYCS Global's Internal Recovery Center will work directly with Crime Stoppers and local law enforcement to enact your vehicle's recovery.

THE HIDDEN COSTS OF THEFT

The cost of auto theft isn't just the insurance deductible; it's more than that. It's all the additional costs that can add up beyond what insurance covers - and these can really add up.

EXPENSES	APPROXIMATE COSTS
Continuation of loan payment	\$927/ monthly
Rental Car Expenses	\$50 - \$100/ day
Loss of Property (ie- laptop, phone, golf clubs)	\$1,000 - \$2,000
Aftermarket Accessories (ie- tint, rims, hitch, roof racks,)	\$1,000 - \$5,000
Insurance Deductible	\$300 - \$1,000
