

TIRE & RIM PROTECTION

WARRANTY HIGHLIGHTS

Maximum 7 years coverage (12-84 month options available).

Tire & Rim

Covers repair (always 1st option) or replacement (with like kind and quality) of a flat tire due to a valid Road Hazard on a public roadway.
Covers repair (always 1st option) or replacement (with like kind and quality) of a damaged rim due to an eligible flat tire claim where the tire will no longer seal to the rim. Road Hazard means a condition on a public roadway which should not exist there, such as potholes, cracks, nails, or glass.

Guarantee

Repair (always 1st option) or replace any tire(s) or rim(s) if all claim requirements are met.

Maintenance

Check tire pressure monthly. Report all claims within 60 days of the date the covered Product is serviced to qualify for warranty coverage. Vehicle should be washed regularly.

Items not covered

Tire(s) and/or rim(s) where the damaged tire tread depth is less than 3/32nds of an inch.

Cosmetic Alloy Rim Repair Coverage

Covers alloy rims if they become cosmetically damaged due to scrapes, scuffs or scratches caused by impact with a valid Road Hazard on a public roadway.

Guarantee

Repair cosmetic alloy rim(s) up to a maximum of \$200 per occurrence and 4 repairs per plan sold. Cover up to a maximum of \$150 towards shipping or vehicle rental costs (if applicable) when a valid cosmetic alloy rim repair claim has occurred.

Maintenance

Check tire pressure monthly. Report all claims within 60 days of the date the covered Product is serviced to qualify for warranty coverage. Vehicle should be washed regularly.

Items not covered

Rim(s) where the damaged tire tread depth is less than 3/32nds of an inch. Any cosmetic Alloy Rim damage that cannot be repaired. Rim Replacement of any kind unless Tire & Rim is purchased.

Claim Requirements: Photos are required for tire replacement and/or rim repair or replacement. Photos are not required for tire repairs. Submit a final invoice which shows all applicable costs with an R/O or invoice number.

Please Note: If a Road Pro warranty was purchased, Incident Pro coverages will be included with the above listed Tire & Rim coverages.

Important: Repairs must be authorized and once authorized you will be asked to submit a final invoice for payment. Pre-existing damage prior to warranty registration, and rental/commercial vehicles are excluded under this warranty. This warranty does not supersede any warranty or guarantees provided by the vehicle manufacturer. Claims under these warranties must be submitted to Diamond Kote® via www.dkclaims.ca within 30 days of the owner becoming aware of any damages. Failure to adhere to your Diamond Kote® Terms & Conditions may result in claim and/or warranty cancellation. Contact dk@serviceplan.ca for additional claim information.
