¹ Availability may vary

² Availability subject to conditions

³ Conditions apply

ENJOY MORE PEACE OF MIND WITH THE FOLLOWING COMPLIMENTARY BENEFITS ³

24/7 Roadside assistance

Mechanical first aid, tire, battery, fluid delivery, towing, locksmith.

Rental

\$50/day, up to 5 days.

Trip interruption

\$100/day, up to 3 days, for lodging and restaurant expenses.

Reducing deductible

Return to your selling dealership and reduce your deductible by \$50.

Transferability

Transfer any unused coverage when you sell your vehicle privately, increasing its value!

No out-of-pocket expenses

We pay the provider directly for eligible repairs and 24/7 roadside assistance.

THE FOLLOWING COMPONENTS ARE ALSO COVERED FOR HYBRID/ELECTRIC VEHICLES ³

- High-voltage cable
- Inverter/ Converter
- Powertrain electric motor
- Generator of the regenerative brake system
- Vehicle drive batteries
- Charging station

BASIC (clauses 1 to 5)

1. Engine

Cylinderblock, cylinder head(s) and all internal lubricated parts contained within the engine including: pistons, piston rings, connecting rods, connecting rod bearings, crankshaft, crankshaft main bearings, camshaft, camshaft bearings, cam followers, timing chain or belt, timing chain cover, timing gears, timing guides and tensioners, rocker arms, rocker shafts, rocker bushings, cylinder head valves, valve guides, valve lifters, valve springs, valve retainers, valve seats, valve seals, valve covers, push rods, water pump, oil pump and housing, harmonic balancer, oil pan (excluding drain plug threads), intake and exhaust manifolds, engine mounts, flywheel/flexplate (excluding teeth), diesel injection pump and diesel vacuum pump, seals and gaskets.

2. Turbocharger/Supercharger

(Factory-installed only) turbocharger/supercharger housing and all internal lubricated parts, seals and gaskets.

3. Transmission

(Automatic or standard) transmission housing (when damaged from within) and all internal lubricated parts, torque converter, clutch master cylinder, vacuum modulator, electronic shift control unit, transmission oil cooler (factory-installed only), transmission mounts, oil pan, seals and gaskets.

4. Transfer case

Housing (when damaged from within) and all internal lubricated parts, encoder motor, seals and gaskets.

5. Drive axle

Front and rear drive axle housings (when damaged from within) and all internal lubricated parts, locking hubs, drive shaft center support bearing, drive shafts and yokes, universal joints, constant velocity joints, cv boots, four wheel drive actuator, differential covers, seals and gaskets.

PREFERRED (clauses 1 to 10)

6. Steering

Steering gear box/housing and all internal lubricated parts, relays and sensors, rack and pinion gear and all internal lubricated parts, power steering pump, power steering hoses, steering knuckles, pitman arm, idler arm, tie-rods, inner or outer tie-rod ends, drag link, upper and lower steering column shafts and couplings, including internal tilt steering mechanism, seals and gaskets. Rear wheel steering: rear steering shafts and couplings, power cylinder pump, electronic control unit/ solenoid phase control unit, steering box, control valve, seals and gaskets.

7. Brakes

Master cylinder, power brake cylinder, vacuum assist booster, hydro boost, calipers, wheel cylinders, compensating valve, hydraulic brake lines and fittings, hydraulic control unit, seals and gaskets. The following ABS parts are also covered: electronic control processor, wheel speed sensors, hydraulic pump/motor assembly, pressure modulator valve, isolation dump valve and accumulator, seals and gaskets.

8. Electrical

Alternator, voltage regulator, starter motor, starter solenoid, starter drive, engine compartment wiring harnesses, engine control module, electronic ignition module, crank angle sensor, knock sensor, ignition switch, ignition switch lock cylinder, front and rear window wiper motors, window wiper washer pump and switches, stop lamp switch, head lamp switch, turn signal switch, heater/air conditioner blower speed switch, manual heater/air conditioner control assembly, horns.

9. Air conditioner

Condenser, compressor, compressor clutch and pulley, air conditioning lines, pressure hoses and fittings, evaporator, idler pulley and idler pulley bearing, high/low pressure compressor cut-off switch, expansion valve, pressure cycling switch, seals and gaskets. The following parts are also covered if they are required in connection with the repair of a covered part listed above: accumulator/receiver dryer, orifice tube, oil and refrigerant.

10. Fuel system

Fuel pump, fuel injection pump, injectors, vacuum pump, fuel tanks, fuel tank sending unit, metal fuel lines, fuel selector valve, fuel pressure regulator, nozzles/diesel fuel injectors, seals and gaskets.

CLASSIC (clauses 1 to 13)

11. Front and rear suspension

Upper and lower control arms, control arm shafts and bearings or bushings, upper and lower ball joints, radius arm and bushings, torsion bars and mounts or bushings, stabilizer bars, links and bushings, spindles and spindle supports, wheel bearings, variable dampening suspension: compressor, control module, actuator, solenoid height sensor, mode selector switch, seals and gaskets.

12. Cooling system

Engine cooling fan motor, cooling fan clutch, belt tensioner, radiator, heater core, thermostat, blower motor, hot water valve, seals and gaskets.

13. Enhanced electrical

Automatic climate control programmer, electronic instrumentation cluster, mileage computer, distributor, ignition coil, camshaft sensor, temperature sensor, oxygen sensor, mass air flow sensor, manifold absolute pressure (MAP) sensor, throttle position sensor (TPS), internal air temperature sensor (IAT), electronic throttle actuator (ETA), idle air control (IAC), electronic combination entry system (does not include transmitter and receiver for remote locks), cruise control module, transducer, servo and amplifier, powertrain control module, head lamp motors, power window motors, power seat motors, power mirror motors, power antenna motor (excluding mast), digital instrument cluster, instrument panel printed circuit board, body control module, blower motor resistor, rear defroster grid (excluding glass replacement), convertible top motor, power sunroof motor, power window switches, rear defroster switch, power door lock actuators and switches, manually operated electrical switches.

SUPERIOR/SUPERIOR WRAP (clauses 1 to 14)

14. Superior/Superior wrap

We will pay for any mechanical breakdown of all other parts except those listed under exclusions in the contract/policy. Emissions components are covered up to 100,000 km on the odometer.

OPTIONS

The components below are included under the Superior and Superior Wrap plans, but optional under the Basic, Preferred and Classic plans (additional surcharge).

a. Basic high-tech

Alarm sensors, back-up camera (360° vision), CD/DVD/radio system/touch screen (excluding speakers), satellite radio module, electrical power steering motor/module (EPS), navigation system, multi-information display and USB ports.

b. Deluxe high-tech (basic high-tech included)

GPS (global positioning system), adaptive cruise control system, blind spot detection system, heads-up display unit and digital dash/LCD display/night vision, lane departure module, Wi-Fi data connection, tire pressure monitoring system module (sensors not included), power inverter/convertor, park assist module/sensors, radar sensors, motion detection tailgate/trunk release, garage door opener (factory-installed), power running boards, bluetooth components/smart phone interface, electronic keyless entry system (key fob excluded), rain sensors.

This is a brochure intended to outline the potential coverage offered and does not consist of a binding contract/policy. See your contract/policy for specific details.
