

Why purchase a SAL Protection Plan?

SALProtectionPlan's peace of mind motoring doesn't end with repair coverage.

Consider it inflation protection

Purchasing a policy/contract in today's dollars protects you from the rising cost of unexpected repairs.

Average Repair Costs

It's coverage when you need it most

The frequency of repairs increases with kilometres and time. SAL Protection Plan takes over when your manufacturer's warranty expires.

Warranty Term

The benefits below are yours, no matter which Plan you choose.

Transferability

If you choose to sell your vehicle privately, any unused coverage is transferable to the purchaser, increasing the resale value of your investment.

The choice is yours

SAL Protection Plan puts you in the driver's seat. Choose the term that's best for you and your driving habits, then choose from two deductible levels: \$0 or \$100.

For over fifty-five years, we've been there when our customers needed us most.

For true peace of mind, each SAL Protection Plan is backed by either SAL Marketing Inc., iAP Marketing or Industrial Alliance Pacific General Insurance Corporation, all members of the iA Financial Group.

iA Financial Group's strength is demonstrated in its financial ratings from both A.M. Best and Standard & Poor's.

2. Turbocharger/Supercharger

Turbocharger/Supercharger,Housingand all internal parts (when damaged from within).

3. Transmission

(automatic standard) Transmission Housing (when damaged from within) and all internal lubricated parts, Torque Converter, Vacuum Modulator, Transmission Mounts, Oil Pan.

4. Transfer Case

Housing (whendamaged from within) and all internal lubricated parts, Transfer Case Mounts.

5. Drive Axle

FrontandRearDrive Axle Housings (when damaged from within) and all internal lubricated parts, Differential Covers.

6. Steering

Steering Gear Box/Housing and all internal lubricated parts, Rack and Pinion Gear and all internal lubricated parts, Power Steering Pump, Seals and Gaskets (of a listed component only).

7. Brakes

Master Cylinder, Power Brake Cylinder, Vacuum Assist Booster, Hydro Boost, Calipers, Wheel Cylinders, Compensating Valve, Hydraulic Brake Lines and Fittings, Flexible Brake Hoses, Seals and Gaskets (of a listed component only).

8. Electrical

Alternator, Voltage Regulator, Starter Motor, Starter Solenoid, Starter Drive, Electronic Ignition Module (excluding computer systems), Front and Rear Window Wiper Motors, Washer Pump, Horns.

9. Fuel System

Fuel Pump, FuelInjection Pump, Injectors, Vacuum Pump, Metal Fuel Lines, Fuel Selector Valve, Fuel Pressure Regulator,Gasoline and Diesel, Nozzles/ Diesel Fuel Injectors, Seals and Gaskets (of a listed component only).

10. Front Suspension

Includes, upperand lowerball joints, upper and lower control arm shafts and bushings, steering knuckles, king pins and bushings.

11. Seals and Gaskets

All Seals and Gaskets arecovered except for those components listed in the exclusions section of your contract/policy. Seepage and/or leakage is not covered as this is considered normal and acceptable.

12. Air Conditioner

Condenser,Compressor, Compressor Clutch and Pulley, Condenser Fan Motors, Evaporator.

13. Extra Value Protection

Water Pump, Starter Motor andSolenoid, Alternator and Regulator, Axle Shaft, Drive Shafts and Yokes, Constant Velocity Joints and Boots, Universal Joints, Hanger Bearing, Timing Chain Cover, Flexplate and Flywheel, Wheel Bearings, Fuel Pump.

OPTIONAL COVERAGE

14. Zero Deductible

15. Rental

\$35per day (upto \$210)of rental vehicle coverage per policy/contract in the event of an eligible mechanical breakdown.

16. Power Equipment PLUS

Anti-lock Brakes/ TractionControl Module, Sensor Rings, Wheel Speed Sensor, Pump and Pressure Modulator Assembly, Electric Trunk Release, Power Door Locks Actuator Motor, Exterior Mirror Motors, Power Window Motors and Regulators and Manually Operated Electric Switches, Cruise Control Module and Servo, Fuel Injection and/or Electronic Ignition Computer Control Module, Fuel Injection and Electronic Engine Management (including Cam, Crank and O2) Sensors, Transmission Computer Control Module, Electronic/ Vacuum Transfer Case and/or Differential Engagement Components for 4WD/AWD, Electronic Instrumentation Display (Speedometer, Tachometer, Odometer, Fuel, Oil, Temperature and Voltage only) Power Sliding Door and Lift Gate Motors, Keyless Entry Door Keypads, and Receiver, Power Seat Motors, Sunroof Motor, Heated Mirrors, Convertible Top Motor, Headlamp Wiper Motors, Load Leveling Compressor Motor, Electronic Climate Control Module, Electrical Diagnostics (based on approved labour guide).
